- What other funding sources are supporting the project/program?
- What other organizations are you collaborating with or partnering with?

Diversity, Equity, and Inclusion

At the Kohler Foundation, we firmly believe everyone in our community should have access to arts and education opportunities.

How do you focus your programming and marketing to include underrepresented populations?

In the past 24 months, what advances has your organization, staff, board, etc., made to ensure an inclusive environment (i.e., DEI workshops, training, etc.)?
